

The *new* Executive Briefing Center is in the AT+T Building at the corner of Folsom and 4th Street at **795 Folsom on the 4th Floor**. It's just around the corner and up the block from the former SBC location where we used to meet. You can park where you used to park and then simply walk to the new location **OR** even more conveniently, park in the AT+T underground parking garage at the new site. To access that garage, follow these directions:

Turn left onto Harrison from 3rd Street and almost immediately (in midblock) on the right hand side, you'll find a small street named "Lapu Lapu". Turn onto Lapu Lapu and go to the end, then turn left (it's called "Bonifacio Street") and then go about one-half block where Mabini Street comes in from Folsom and meets Bonifacio. At that corner (**Mabini and Bonifacio**) is the down-ramp to the entrance to the underground AT+T parking garage. Once parked, take the elevator up into the building and to the 4th Floor.
